

Who Am I?

Who am I?
I'm smaller than your cat,
I'm bigger than a rat;
My sleek, short, shiny fur
Blends in with desert burrs.
I stalk at night on the desert floor,
I am an omnivore;
At night is when I roam,
The desert is my home.
My tail looks like a raccoon,
I make lots of chitters and many tunes.
Who am I?
