

The **desert** truth.

take a walk
maybe...
Hear a
The chance
You

And listen
you might
crow or two
is very unlikely
and

**Stop
listen**

You might
hear a
A Jack rabbit
jumps out
At you!

Rustle!

At you!

That might
been
have just
a bit

Startling

But listen
Melody
for the
of the

rattlesnake

It can
sound nice
But also means

Run!

And don't
stay too late
your mother might

be Mad

And now
you know
the desert life
